New Features and Updates in the Follow-up Release to Impact/SQL 5.12.0 – build (040)

This document outlines the new features and updates introduced in the follow-up release to Impact/SQL version 5.12.0, build (040). For information about updates to other versions of the software, visit the documentation page of our website at www.digisolaz.com/docs/documentation.htm.

Each enhancement or modification may only be relevant to certain modules of Impact/SQL, therefore each one is presented under the appropriate module heading. Please contact us if you have any questions or comments.

Escrow and Title

1. When the “Cancel Outside Service” menu item hot key was instituted with the introduction of that option for applicable systems, it was inadvertently given the same hot key as the File Save function (alt+F+S). This has been changed to alt+O. (SRS 18357)

Accounting

1. There is a new positive pay filter for City National Bank. (SRS 16911)
2. There is a new positive pay filter for Wachovia Bank. (SRS 18048)
3. The reconciliation import filter for Bank of America (East) had been inappropriately modified between release 5.9 and 5.12, and was failing in 5.12. This matter has been rectified. (SRS 18393)
4. The positive pay filter for US Bank’s CSV format was reporting voided checks with the date of the original check, rather than the date of the void, on posted items. This has been corrected. (SRS 18520)

General Features

1. Based on customer feedback, the NAF display screen has been modified:
 - a. to reflect the address on the search results screen;
 - b. new icons are used to represent Company, Branch and Individual entries; and,
 - c. in the search results display, the company entries are bolded, branch entries are not bolded and individuals' entries are italicized, for enhanced readability.

The new screen looks like this:

The screenshot shows a software window titled "Name and Address File". It features a search interface with several sections:

- Search Options:** A group of radio buttons for filtering results: All, Title Companies, Payoff Lenders, Real Estate Brokers, Attorneys, Lenders, Miscellaneous, Mortgage Brokers, and Other.
- Search Criteria:** Fields for "Search for name starting with:" (containing "wells fargo bank"), "Search by ID:", "Search by county:", and "Search by state:". There is also an "Expand" checkbox.
- Search Results Table:** A table with two columns: "Name" and "Address". The results are as follows:

| Name | Address |
|------------------------------------|------------------------------|
| Wells Fargo Bank | 10701 Melody Drive |
| Wells Fargo Bank | 10th Street & 59th Avenue |
| <i>John Smith</i> | |
| Wells Fargo Bank | 18700 NW Walker Blvd, #92 |
| WELLS FARGO BANK | 24747 LORIAN ROAD |
| Wells Fargo Bank - West | 5801 West 11th Street |
| Wells Fargo Bank Internet E | 1160 N Black |
| Wells Fargo Bank West | 3600 S College Avenue |
| Wells Fargo Bank West NA | 2808 North Avenue |
| Wells Fargo Bank, N.A. | 177 Park Center Plaza |
- Form Fields:** On the right side, there are input fields for "ID No:" (5069), "Name:" (Wells Fargo Bank), "Contact Name:", "Address 1:" (10701 Melody Drive), "Address 2:", "City:" (Northglenn), "State:" (CO - COLORADO), "Zip:" (80234), "County:" (Adams), "Phone:", "Fax:", "Cell:", "Email Address:", "Comments:", "Bank Name:", "Account No:", "Routing No:", "Date Entered:" (04/13/2006 12:11:56 PM), and "Date Modified:".
- Buttons:** At the bottom, there are buttons for "New", "Delete", "Modify", "Cancel", and "USPS".

(SRS 18084)

2. For those sites with the ePaperless File integration, an issue existed with e-Paperless showing the time of recording from a policy, rather than the description of the policy, when a policy was published. This has been resolved.
(SRS 18365)
